Short CV

Dr. Vishal Pawar is a specialist neurologist based in Dubai with over 12 years of experience, and a leading expert in vertigo and headache disorders. He currently practices at Unicare Medical Center, Dubai and has established a state-of-the-art Vertigo Clinic that has treated over 4,000 patients. Dr. Pawar is internationally recognized for his expertise in vestibular diagnostics, including VNG, vHIT, and posturography. He has delivered over 150 keynote lectures, published 38 research articles, and actively contributes to global academic forums on neurotology. His work emphasizes patient-centered care, clinical excellence, and ongoing education in vestibular medicine.
